**WHEN YOU'RE HIRING THINK
ERA FRANK TRAPANI & ASSOCIATES
BECAUSE WE WANT TO BE EMPLOYED
BY YOU TO MARKET YOUR HOME**

**FOUR GOOD REASONS WHY WE FEEL
WE WOULD MAKE GOOD EMPLOYEES**

We're selling houses!

If you've been thinking about buying or selling a home, but you've heard there's a bad real estate market, call ERA Frank Trapani & Associates.

We have proven programs that work hard for you no matter what the market conditions are. Like the Buyer and Seller Protection Plans, the Moving Machine nationwide communications system, Financial Counseling and the Sellers Security Plan.

That's why ERA Real Estate Specialists all over America are confidently saying, "We're selling houses!"

**No home is perfect. That's why you need
the ERA Buyer Protection Plan.**

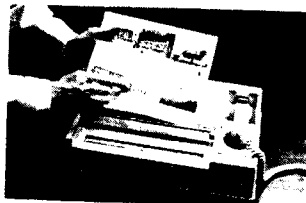

The ERA Buyer Protection Plan is your best coverage against unexpected repair or replacement costs on nine major working components in your home.

This year ERA will back its Buyer Protection Plan by paying out millions in claims on things like faulty furnaces and water heaters. This is the kind of protection that makes your home more attractive to any buyer.

For complete details contact ERA Frank Trapani & Associates and ask for a copy of the service contract.

**4 out of 10 homebuyers come from out of town.
The ERA® Moving Machine® can show them
your home before they leave theirs.**

Odds are you'll sell your home faster if you tell more people about it. With the ERA Moving Machine we can send a picture and description of your home to interested buyers in any one of our 4,000 offices nation wide.

It's like a national multi-list. And only ERA has this system. For more information call ERA Frank Trapani & Associates and ask about the Moving Machine.

We really can find home buyers

**If we don't
sell your home,
we'll buy it.***

*Some conditions and limitations apply. To see if you qualify, call ERA Frank Trapani & Associates.
