Averi Rojas (Princess Winnifred the Woebegone) is happy to be back performing at St. John Theatre alongside so many talented people and a few long-time friends turned family! You last saw her in *Grease* as Jan. Or maybe you remember her as Chef Louis in *The Little Mermaid*. Averi caught the acting bug in middle school; she has been in 10 musicals. Averi is thrilled to show you that anyone can be a princess, even if you're a little "Shy."

J. Tadhg Long (Prince Dauntless) is a singer, musician and actor who has appeared in a commercial, a short film and musicals. This is his second production at St. John Theatre and he looks forward to many more in the years to come! He's excited to return to NOCCA in the Fall, and hopes to play the lead in *The Phantom of the Opera* some day.

Sadie Kelly (Queen Aggravain) is currently enrolled at Southeastern Louisiana University where she is majoring in English Education with a minor in Theatre. She was last seen as Rizzo in *Grease*, Sharpay in *High School Musical*, and numerous other productions. She is thrilled to be back on stage with her theatre family, and hopes everyone enjoys the hard work this amazing cast and crew put into the production! Now sit back, grab your cocoa, and enjoy this genuine, bonafide entertainment!

Warren A. Hovis (King Sextimus) is excited to return to the St. John stage as King Sextimus. Warren has performed in many productions throughout Louisiana; this is his third St. John Theatre production. Warren loves to sing a cappella music, and spend time with his friends and family. He would like to thank his loving wife, Karrie, and his wonderful daughters: Lindsey, Patricia, Corinn, LeeAnn, and Rachael. TGBTG!!

Jacob Chauvin (Minstrel) is ecstatic to be performing on the St. John Theatre stage again. His most recent role was Doody in *Grease*. He is involved in Southeastern's college theatre program as well; he has been in over five productions at Southeastern and has been cast in *Ragtime* for Fall 2021 semester. Jacob wants to thank his parents, Brent, and Tiffany Chauvin. Jacob wishes to continue his hard work at the theatre and wants to spread his knowledge and education to the next generation of performers.

Dominic Joseph (Jester) is excited to be portraying the role of the Jester. Dominic recently graduated Valedictorian of St. Charles Catholic High School and plans to attend Louisiana State University in the fall. No stranger to the St. John Theatre stage, his credits include *Grease*, *The Little Mermaid*, and *Hairspray*. He was a five-year member of SCC's Stagehands where he served as Secretary and Choreographer for two years. He is grateful to bring his talents to the summer stage yet again and hopes everyone enjoys the show.

Jenna Touns (Wizard) is excited to be back on the St. John Theatre stage for her sixth summer production. Some of Jenna's favorite roles include Scuttle in *The Little Mermaid*, Sour Kangaroo in *Seussical the Musical*, and Ms. Darbus in *High School Musical*. She also enjoyed being assistant choreographer for *Grease*. Jenna thanks her family and friends for their endless support. Jenna hopes this show brings you lots of joy and laughter in your very own "swamps of home."

Trey Lowry (Sir Harry) is a graduate of St. Charles Catholic High School and is now entering his Sophomore Year at LSU, where he is studying Sport Administration. He was last seen on the St. John Theatre stage as Danny Zuko in *Grease*. Other roles were Prince Eric in *The Little Mermaid*, Chad in *High School Musical*, Gomez Addams in *The Addams Family*, and Horton the Elephant in *Seussical the Musical*. He is eager to once again perform in one of his favorite places in the world. He would like to thank his family and friends for the support and love they have given and above all the two most important women in his life, his mother, Tricia, and his girlfriend, Keri.

Ashley Toups (Lady Larken) is thrilled to once again perform at St. John Theatre in this year's production of *Once Upon A Mattress*. Ashley has enjoyed playing many roles including Patty Simcox in St. John Theatre's production of *Grease*, Andrina the Mersister in the *The Little Mermaid*. Ashley is thankful for all the love and support she has received from her friends, family, and cast mates. She hopes you have an enchanting time here!

Director's Notes

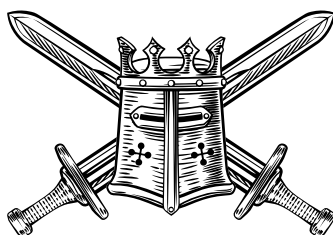

Welcome back to the theatre, especially the Historic St John Theatre! It's been a LONG intermission! We are excited to bring back live entertainment to the River Parishes!!! *Once Upon a Mattress* is a fairy tale, but not your typical fairy tale. You may have heard of it by another name - *The Princess and the Pea*. Only a few of this talented group of performers were aware of the show or the story. At auditions, I told them that they would fall in love with the music and storyline and that they did! If you don't know it, no worries, the Minstrel will tell you the story, along with his many friends. This cast is filled with beautiful, enthusiastic and talented young performers who have a lot of energy and have been waiting 2 years to get back on stage!

These are troubling times with the pandemic and the sadness we have lived through, perhaps even losing a loved one because of the disease. The troubles and uncertainty in the country and the world cause stress that perhaps we all need to spend a couple of hours in a fairy tale! We hope that is what we have created for you.

I love this cast and I love working with them! Thanks to the parents who "lent" them to us this summer. I love my production team and all who worked on this production in so many ways. Many moons ago, in a far off place...

Carpe Diem!

In Memoriam

Kirk Zeringue

In 2020, St. John Theatre
lost a passionate theater supporter.
Over the years, Kirk gave his all both
onstage and offstage.
He will be remembered for his wonderfully
friendly spirit, his easy laugh,
and his attention to detail.
He will be missed.

Frank Fagot

Frank passed away in 2021 after a
battle with COVID.
His business, Allied Express, is the
long-time St. John Theatre ticket outlet.
In addition to being a stalwart in the
community, Frank was a strong supporter
of St. John Theatre for many years.
We will miss his smiling face on
Opening Night.
He will be remembered.

A decorative border surrounds the central text and image. It features classical-style statues: a winged figure at the top left and right, a female figure holding a column on the left and right sides, and a winged figure at the bottom left and right. The background of the border is filled with fine horizontal lines.
